### About MINIs on Top

**MINIs on Top** is a rally event organized by independent MINI owners. **MINIs on Top** was started by a group of like-minded individuals who met on an Internet forum dedicated to the MINI Cooper. A suggestion of a fun run up Mount Washington to view the sunset during the Summer Solstice has turned into the premier MINI event in the Northeast. It is run solely by volunteer MINI owners for fun and camaraderie without any corporate sponsorship and it has no official relationship with MINIUSA, BMW AG, or BMW of North America.
