MINIs on Top Announces Registration for 2006 Mount Washington Run

Fourth annual MINIs on Top, the largest gatherings of MINI Cooper owners in North America, will be held on June 17th 2006 in the White Mountains of New Hampshire

Essex, Massachusetts - March 14th 2006 – Ian Cull, event coordinator, today announced the schedule and registration details for the fourth annual **MINIs on Top** event to be held in the White Mountains of New Hampshire. **MINIs on Top** is a gathering of MINI Cooper owners, friends and family for fun and fundraising with proceeds from this year's gathering to benefit the **Massachusetts Make-a-Wish Foundation** (www.mass.wish.org). This premier MINI event will feature over 200 MINIs touring the Kancamagus Scenic Byway followed by a MINIs exclusive drive to the summit of Mount Washington to view the sunset. All MINI owners and fans that are interested should go to www.minisonstop.com for complete information.

Cull states that registration has begun and is already half full for the Auto Road segment. The Auto Road has a limit of 200 cars in the parking lot atop the tallest peak in the Northeast, but the rest of the events have virtually unlimited capacity. Registration will continue on a first come, first served basis with the registration form available online as well as a detailed listings of events, lodging options and costs at www.minisonstop.com.

This year's **MINIs on Top** again promises to be the largest single day gathering of MINI Cooper owners in the Northeast with organizers finalizing plans for the anticipated grand prize raffle item to benefit the Make-a-Wish foundation.

ABOUT MINIS ON TOP

MINIs on Top was started by a group of like-minded individuals who met on an internet forum dedicated to the MINI Cooper. A suggestion of a fun run up Mount Washington to view the sunset during the Summer Solstice has turned into the premier MINI event in the Northeast. It is run solely by volunteer MINI owners for fun and camaraderie without any corporate sponsorship. **MINIs on Top** is nonprofit and not affiliated with MINIUSA, BMW of North America or any of its subsidiaries.
