

Pet attendees and their human counterparts,

MOT is almost here! We have 30 pets signed up this year!

Enclosed in your registration packet is a Pet Ticket. This ticket will allow you to pick up your pet goodie bag. Just take this ticket to the MOT Information Tent, where the MOT Pet Patrol are stationed, and retrieve your great goodie bag.

We do have to mention some guidelines that we all must follow:

- 1) All pets must be on leash at all times! No exceptions!
There is no off leash area at the Loon Lot or the Auto Road.
- 2) Solid pet business must be disposed of. We have a some bags (they are even biodegradable!) just ask us. At the Auto Road there are 2 potty areas for the dogs. Please be sure to use these as they were set up for us. (The Auto Road actually doesn't allow pets at events so we are setting a precedent, please be mindful so we can continue to welcome your pet.
- 3) Pets are discouraged at the tent area. If you decide to bring your pet into the tent area the pet must be on its best behavior and under control. Please don't spoil it!

We really hope that you and your pet enjoy yourselves at MINIs On Top. Hopefully we can continue to bring you this aspect of MOT in years to come.

Thank You,
Beth and Louis Cassorla
MOT Pet Patrol
