

# New Country MINI's "Roll-To-Motor" Contest

Own a 2007 MINI for \$5.00!

=

**New Country MINI** ([www.newcountrymini.com](http://www.newcountrymini.com)) in Hartford, CT is pleased to support Rosie's Place and MINIs On Top 2007 by sponsoring a chance to own a brand new 2007 MINI for \$5.00 in its **Roll-To-Motor** contest!

Here's how it works. Each \$5.00 (MINIum) Rosie's Place donation ticket allows one roll of the six **Roll to Motor** dice. The six-sided dice have symbols on five of their facets; one facet has a letter. If, in one roll, all six dice land and spell the word "COOPER", you win a \$20,000 allowance toward the purchase of a new 2007 MINI! And, while this allowance will easily pay for a new, custom-ordered MINI Cooper, the winner can use it toward any new MINI and pay just the difference in price. Of course, the lucky winner is responsible for the tax, title, license and insurance costs.

For those mini-MINIacs who are not quite ready to pilot a full-size MINI, **New Country MINI** has also generously donated a second prize: a Liquid Yellow Convertible MINI battery-operated kid's car! This is not the pedal version; this is the "high-performance", motor-driven model! It has a performance driver's seat, low profile tires, juice-box holders, and a unique "center drive" steering wheel. It's approximately 40 inches long and the driver's weight limit is 66 lbs. A "Roll to Motor" Leader Board will be displayed, and the person who comes the closest to spelling "COOPER" will be declared the second prize winner. In case of a tie, the winner will be chosen randomly.

**New Country MINI's Roll-To-Motor** contest will be set up on Saturday morning, June 16<sup>th</sup> at the Loon Mountain parking lot and at the base of the Auto Road later that afternoon. Donation tickets will be available at the MINIs On Top Information Tent, but only 300 donation tickets will be sold for the first place, 2007 MINI! However, additional donation tickets will be sold for a chance to win the second place mini-MINI prize.

The kind folks at **New Country MINI** ask you to please support Rosie's Place by purchasing one or more **Roll-To-Motor** donation tickets at MINIs On Top on Saturday June 16th!
